We have audited the accompanying financial statements of Friends of the Children NY (the "Organization"), which comprise the statements of financial position as of August 31, 2015 and 2014 and the related statements of activities and change in net assets and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Friends of the Children NY as of August 31, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The schedules of functional expenses on pages 11 and 12 are presented for purpose of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Friends of the Children NY

Notes to Financial Statements August 31, 2015 and 2014

1. Organization

Friends of the Children NY, (the "Organization"), is a non-profit organization formed in July 2000. The purpose of the Organization is to provide the most vulnerable and challenged children of New York a loving, caring, and sustained relationship with an adult role model who teaches positive values and has attainable expectations for each child in order that they become a healthy, productive member of society. The major sources of funding for the Organization are contributions from private foundations and corporations.

The Organization is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code and is not considered to be a private foundation within the meaning of Section 509 (a) of the Internal Revenue Code. Similar exemptions apply at the state and local level.

2. Summary of Significant Accounting Policies

Basis of Presentation and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP"), which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates. Some of the more significant estimates required to be made by management include allowance for doubtful accounts and depreciation expense.

Cash and Cash Equivalents

Cash and cash equivalents include investments in highly liquid debt instruments with maturities of three months or less at the time of purchase.

Property and Equipment

Equipment and leasehold improvements are recorded at cost. Improvements are capitalized while expenditures for maintenance and repairs are charged to expense as incurred. Upon disposal of depreciable property, the appropriate property accounts are reduced by the related costs and accumulated depreciation. The resulting gains and losses are reflected in the statement of activities.

The estimated service life of the assets for depreciation purposes may be different than their actual economic useful lives. Depreciation is determined using the straight-line method over the estimated useful lives of the related assets as follows:

	<u>Estimated Life</u>
Leasehold improvements	5 years
Office equipment	3 years
Furniture and fixtures	3 years
Other fixed assets	3 years

2. Summary of Significant Accounting Policies (continued)

Allowance for Doubtful Accounts

The Organization evaluates the collectability of its pledges and grants receivable based on a combination of factors. Where the Organization is aware of an inability to meet their financial obligation, the Organization specifically reserves for the potential bad debt to reduce the net recognized receivable to the amount it reasonably believes will be collected.

Children's Activity Advances

Children's activity advances are advances that are given to mentors at the beginning of their employment for monthly expenses related to mentoring activities. At the end of the mentors' employment, any advance unaccounted for is withheld from their final paycheck.

Net Assets

Unrestricted net assets are those funds having no restriction as to use or purpose imposed by donors. Temporarily restricted net assets are those whose use by the Organization has been limited by donors to a specific time period or purpose. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified as unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Contributions

All contributions are considered available for unrestricted use, unless specifically restricted by the donor or subject to other legal restrictions. Contributions of securities are recorded at fair market value on the date of the gift. The Organization's policy is to report as unrestricted support, contributions with donor imposed restrictions when these restrictions are met in the same year that the contribution is received.

A number of volunteers have made significant contributions of their time in support of the Organization's activities. Although donated services are an essential part of the agency's activities, they do not meet the criteria to be reflected in the accompanying financial statements.

Functional Expenses

The costs of the programs and supporting services have been summarized on a functional basis. Expenses that can be directly identified with a program or supporting service to which they relate are charged accordingly. Other expenses by function have been allocated using bases determined by management to be reasonable.

Pledges

The Organization discounts unconditional pledges with a collection period of more than one year using an adjusted risk free rate of interest. The discount is amortized over the term of the pledge and is recorded within contribution income.

Friends of the Children NY

Notes to Financial Statements August 31, 2015 and 2014

2. Summary of Significant Accounting Policies(*continued*)

Accounting for Uncertainty in Income Taxes

The Organization recognizes the effect of income tax positions only when they are more likely than not to be sustained. Management has determined that the Organization has no uncertain tax positions that would require financial statement recognition or disclosure. The Organization is no longer subject to examinations by the applicable taxing jurisdictions for periods prior to August 31, 2012.

Rent Expense

Minimum rent expense is recorded over the term of the lease. When a lease contains a predetermined fixed escalation of the minimum rent, the Organization recognizes the related rent expense on a straight-line basis and records the difference between the rental expense recognized and the amounts payable as deferred rent.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is October 5, 2015.

3. Pledges and Grants Receivable

Unconditional promises to give that are due in the following year were \$125,000 and \$155,000, as of August 31, 2015 and 2014.

5. Line of Credit

In June 2015, the Organization renewed its working capital Line of Credit Agreement in the amount of \$150,000. Any outstanding balance is due upon maturity, which is one year from the renewal date. Monthly payments of interest are due on any outstanding principal. The interest rate is the Wall Street Journal Prime Rate plus 2%, with a minimum of 6%. As of August 31, 2015 and 2014, there was no outstanding balance. For the years ended August 31, 2015 and 2014, there were no borrowings and no interest expense.
